

CAE® TERMS AND CONDITIONS – CLIENTS RESPONSIBILITIES

Clients are responsible for compliance with the laws, regulations and rules applicable to the acceptable use of solutions and applications. Nevertheless, use of the solutions supplied by CAE Computer aided USA Corp. contrary to good faith is prohibited, including, but not limited to:

- Use contrary to EEUU law or which infringes the rights of third parties.
- Publication or transmission of any content that is violent, obscene, abusive, illegal, racist, xenophobic or defamatory.
- Altering or interfering with platforms, solutions, e-mails or other users' or third party's systems under false pretenses or without authorization.
- Cracks, software serial numbers or any other content that violates the intellectual property rights of third parties.
- Use of the domain's mail server and email addresses with the intention of spamming, mail bombing, phishing, escrow fraud, scam 419, pharming, diffusion of virus (trojans, worms, etc.), or any other type of activity for the purposes of sabotage, fraud or criminal ends.

The client, user and/or department responsible for the platform or solution guarantees CAE Computer aided USA Corp. that the chosen solution is neither registered for unlawful purposes nor infringes the intellectual property, industrial or other rights and interests of legitimate third parties.

Clients are obligated to keep the e-mail address provided on the contract form operational, active and updated, given that it constitutes CAE Computer aided USA Corp. preferred means of communication with its clients.

The client assumes the sole responsibility for the use and conservation of the logins and passwords provided by CAE Computer aided USA Corp. for the use of the tools for managing the solutions contracted, given that they are necessary identifiers that permit CAE Computer aided USA Corp. to authenticate clients/users, facilitate their access and grant permission for utilizing the tools related with the services provided. The use of these identifiers and communication, including to third parties, is the sole responsibility of the client.

The client assumes the sole responsibility for the contents of its platforms, information of an operational nature transmitted and stored, hyperlinks, claims made by third-parties

and legal actions that may ensue concerning intellectual property, rights of the individual and protection of minors.

Access, modification or visualization of the configuration, structure and files on CAE Computer aided USA Corp.'s servers is prohibited. In the case that any problem arises in the servers and security systems belonging to CAE Computer aided USA Corp. as a direct result of a client's negligent conduct, the client will assume the sole responsibility for any resulting civil and criminal liability.

The client will respect the technical standards established by CAE Computer aided USA Corp. with regards to the administration and development of the products contracted in such a manner as to not make abusive use of the CAE Computer aided USA Corp. servers in detriment to the services and rights of other clients.

CLIENT RESPONSIBILITIES

Obey the law

By subscribing to cae.net you commit to obeying the current laws and regulations as well as the applicable rules of acceptable use of the cae.net platform.

Keep an active email account

You will be responsible for maintaining the email address given on the subscription form active and up to date as this is the preferred means of communication at CAE.

Logins and passwords

Remember that you are the only person responsible for the use and maintenance of the logins and passwords that are given by CAE in order to make use of the tools available at cae.net. They are the identification necessary for CAE to authorize user access and to permit changes that are requested or made from that identity.

The use of these identifying passwords is personal and not transferrable. CAE reserves the right to revoke access to the account if it detects that third parties are accessing the account after being given the information by you.

CAE Computer Aided USA Corp., with the address: 1395 Brickell Ave, Suite 800 - Miami, FL 33131, USA.
